

LM2T AU120

LM2T C10

LM2T C01

LM2T LB...

LM2T AU113

LM2T J200

LM2T J400

**Metallic series IP65 (contact block and support to be ordered separately)**

type	colour	supply	description	for
------	--------	--------	-------------	-----

**Contact elements and supports for metallic series control devices**

**Contact block support** for metal series LM2T... only (can support up to 6 contact blocks)

**LM2T AU120** – 3-way contact block support for metal series actuators LM2T...

**Contact elements (screw terminal) - clip-on to LM2T AU120 support (above)**

	contact				
<b>LM2T C10</b>	1 x NO	standard	green	contact block for control devices	LM2T...
<b>LM2T C10A</b>	1 x NO	early make	green	contact block for control devices	LM2T...
<b>LM2T C01</b>	1 x NC	standard	red	contact block for control devices	LM2T...
<b>LM2T C01D</b>	1 x NC	late break	red	contact block for control devices	LM2T...
<b>LPX A140</b>		action plug	black	using central pos. on actuators	LM2T...

**Note:** Only use **LM2T C10A** or **LM2T C01** for push on - push off actuators

**LED integrated lamp holder (100.000 hour life)**

<b>LM2T LB3</b>	green	12 - 30 VAC/DC	LED integrated steady lamp module	LM2T...
<b>LM2T LB4</b>	red	12 - 30 VAC/DC	LED integrated steady lamp module	LM2T...
<b>LM2T LB5</b>	yellow	12 - 30 VAC/DC	LED integrated steady lamp module	LM2T...
<b>LM2T LB6</b>	blue	12 - 30 VAC/DC	LED integrated steady lamp module	LM2T...
<b>LM2T LB8</b>	white	12 - 30 VAC/DC	LED integrated steady lamp module	LM2T...
<b>LM2T LM3</b>	green	185 - 265 VAC	LED integrated steady lamp module	LM2T...
<b>LM2T LM4</b>	red	185 - 265 VAC	LED integrated steady lamp module	LM2T...
<b>LM2T LM5</b>	yellow	185 - 265 VAC	LED integrated steady lamp module	LM2T...
<b>LM2T LM6</b>	blue	185 - 265 VAC	LED integrated steady lamp module	LM2T...
<b>LM2T LM8</b>	white	185 - 265 VAC	LED integrated steady lamp module	LM2T...

**Legend plates and labels for Ø22 mm LM2T metallic actuators**

**For metallic series - in order to maintain the IP rating**

<b>LM2T AU100</b>	black	holder	legend holder for LM2TAU206 labels	12 mm (H)
<b>LM2T AU206</b>	silver	engraveable	adhesive label insert for above holder	12 mm (H)
<b>LM2T AU206EN</b>	silver	engraved	label (provide required engraving)	12 mm (H)
<b>34102/PS</b>	black	holder	legend holder for LM2TAU108 labels	15 mm (H)
<b>LM2T AU108</b>	silver	engraveable	clip-in label insert for above holder	15 mm (H)
<b>LM2T AU108EN</b>	silver	engraved	label (provide required engraving)	15 mm (H)

**Emergency labels (to be mounted behind mushroom pushbuttons)**

<b>LM2T AU113</b>	yellow	"emergency stop" plastic label/disc for pushbuttons	Ø90 mm
<b>LM2T AU115</b>	yellow	"emergency stop" plastic label/disc for pushbuttons	Ø60 mm

**Joystick controllers**

type	contacts	direction	description	action
<b>LM2T J200</b>	2 NO	2	(up/down) joystick actuator	spring return
<b>LM2T J201</b>	2 NO	2	(up/down) joystick actuator	stay put
<b>LM2T J400</b>	4 NO	4	(up/down/left/right) joystick actuator	spring return
<b>LM2T J401</b>	4 NO	4	(up/down/left/right) joystick actuator	stay put

**For above joystick controllers**

<b>LM2T AU101</b>	black	2/4 direction	legend holder for joystick controllers	
<b>LM2T AU206</b>	silver	engraveable	adhesive label insert for above holder	12 mm (H)
<b>LM2T AU206EN</b>	silver	engraved	label (provide required engraving)	12 mm (H)
