

Metallic series IP65 (contact block support to be ordered separately)

type	colour	description	
Pushbutton actuators			
LM2T B10*	*	momentary action flush pushbutton	actuator head
LM2T B204	red	extended head momentary action pushbutton	actuator head
LM2T Q20*	*	alternate action "push-push" pushbutton	actuator head
Emergency pushbutton actuators			
LM2T B6144	red	mushroom pushbutton actuator head	(40 mm)
LM2T B6164	red	mushroom pushbutton actuator head	(60 mm)
LM2T B6344	red	latching mushroom actuator head	(twist release)
LM2T B6544	red	latching mushroom actuator head	(key release)
Selector switch actuators			
LM2T S120	black	2 position selector switch	actuator head
LM2T S121	black	2 position selector switch actuator	(spring return from right)
LM2T S130	black	3 position selector switch	actuator head
LM2T S131	black	3 position selector switch actuator	(spring return to centre)
LM2T S133	black	3 position selector switch actuator	(spring return from right)
Key switch actuators			
LM2T S320	black	2 position key switch actuator	(key remove from left)
LM2T S321	black	2 position key switch actuator	(key remove from left / right)
LM2T S340	black	2 position key switch actuator	(spring return from right)
LM2T S330	black	3 position key switch actuator	(key remove from centre)
LM2T S331	black	3 position key switch actuator	(key remove left/centre/right)
LM2T S370	black	3 position key switch actuator	(spring return to centre)
Pilot light head			
LM2T IL10*	*	pilot light head	(with diffuser)
Illuminated pushbuttons (with side visibility)			
LM2T BL10*	*	illuminated momentary action pushbutton	actuator head
Illuminated alternate action pushbutton actuators (push "ON" - push "OFF")			
LM2T QL20*	*	illuminated alternate action pushbutton	actuator head
* Add: 2 (black) / 3 (green) / 4 (red) / 5 (yellow) / 6 (blue) / 8 (white) - for colours			
Illuminated selector switch actuator			
LM2T SL1203	green	2 position selector switch	actuator head
LM2T SL1204	red	2 position selector switch	actuator head
LM2T SL1303	green	3 position selector switch	actuator head
Contact elements and supports			
Contact block support (for metal series only LM2T)			
LM2T AU120		3-way contact block support for metal series actuators 8 LM	
Contact elements clip-on (screw terminals)			
LM2T C10	green	1 x NO	contact block module
LM2T C01	red	1 x NC	contact block module
LM2T C10A	green	1 x NO	(early make) contact block module
LM2T C01D	red	1 x NC	(late break) contact block module
Lamp holders clip-on			
LM2T EL400	BA9s		direct supply lamp holder module
LM2T ZL230	BA9s		supply through resistor / diode 230AC-130V (with filament lamps)
LM2T YL230	BA9s	230V	transformer lampholder with 24V lamp
LM2T YL400	BA9s	400V	transformer lampholder with 24V lamp

BA9s lamps see page D-24
