

Accessories for Ø22 mm control devices

type	colour	description	
LPX A140	black	action plug for using central position on actuators	
LPX A150	black	spare rod (150 mm) for mechanical reset pushbuttons	
LPX A170	silver	spare replacement standard key set for key selector switches	
LPX A170R*	silver	special key set for key switches required with different keys	
* Add: 421E, 458A, 520E, 3131A, 3433E (for different key requirement)			
LPX A130	black	Ø 22 mm hole blanking plug (threaded)	
LM2T A161	black	reduction ring to mount Ø 22 mm through Ø 30 mm hole	
LM2T A200	black	socket spanner for actuator fixing ring tightening	

Legend plates for Ø22 mm actuators

LPX AU100	black	legend holder for AU109 labels	(H) 12 mm
LPX AU109	silver	engrivable clip-in label for above holder	(H) 12 mm
LPX AU109EN	silver	engraved clip-in label (provide required engraving)	(H) 12 mm
LPX AU105	black	legend holder for AU108 labels	(H) 15 mm
LPX AU108	silver	engrivable clip-in label for above holder	(H) 15 mm
LPX AU108EN	silver	engraved clip-in label (provide required engraving)	(H) 15 mm

Emergency labels (to be mounted behind mushroom pushbuttons)

LPX AU113	yellow	"emergency stop" plastic label/disc	Ø90 mm
LPX AU115	yellow	"emergency stop" plastic label/disc	Ø60 mm
LPX AU158	yellow	padlockable shroud for latching mushroom pushbutton	
LPX AU159	yellow	half shroud to prevent inadvertent operation of pushbutton	

DIN rail mount adaptor for control devices

To mount Ø22 mm control devices on DIN rail and fit into standard distribution boards.

LPX DIN	grey	adaptor	DIN rail adaptor for Ø 22 mm pushbuttons
---------	------	---------	--

Rubber boot protection for pushbutton actuators

LPX AU132	black	boot	rubber protection boot for flush p/button actuators
LPX AU133	green	boot	rubber protection boot for flush p/button actuators
LPX AU134	red	boot	rubber protection boot for flush p/button actuators
LPX AU135	yellow	boot	rubber protection boot for flush p/button actuators
LPX AU136	blue	boot	rubber protection boot for flush p/button actuators
LPX AU137	t/parent	boot	rubber protection boot for flush p/button actuators

Spares for pushbuttons

LPX B10	-	replacement cap for flush pushbutton actuators
LPX B20	-	replacement cap for extended head pushbutton actuators
LPX BL10	-	replacement lens for illuminated ext. flush pushbutton actuators
LPX BL20	-	replacement lens for illuminated ext. head pushbutton actuators

* Add: 2 (black) / 3 (green) / 4 (red) / 5 (yellow) / 6 (blue) / 7 (transparent) for colours

Rotary cam switches (panel mount) 16A lth - 690V Ui - IP65

type	poles	AC1 (A)	AC23A - 400V	description	
ON/OFF switches					
GX16 90U	1 pole	16A	5.5kW	on-off switch	(0-1)
GX16 91U	2 pole	16A	5.5kW	on-off switch	(0-1)
GX16 10U	3 pole	16A	5.5kW	on-off switch	(0-1)
GX16 92U	4 pole	16A	5.5kW	on-off switch	(0-1)
GX16 51U	1 pole	16A	5.5kW	changeover switch	(centre-off)
GX16 52U	2 pole	16A	5.5kW	changeover switch	(centre-off)
GX16 53U	3 pole	16A	5.5kW	changeover switch	(centre-off)
GX16 75U	4 pole	16A	5.5kW	changeover switch	(centre-off)
GX16 54U	1 pole	16A	5.5kW	changeover switch	(1-2)
GX16 55U	2 pole	16A	5.5kW	changeover switch	(1-2)
GX16 56U	3 pole	16A	5.5kW	changeover switch	(1-2)
GX16 69U	4 pole	16A	5.5kW	changeover switch	(1-2)
GX16 67U	voltmeter			selector switch	ph-ph + off
GX16 66U	voltmeter			selector switch	ph-ph / ph-n + off
GX16 97U	ammeter			selector switch	(direct reading)
GX16 98U	ammeter			selector switch	(for 3 CTs)

• ON/OFF isolators with padlockable red/yellow operating handle

GX16 10U25	3 pole	16A	5.5kW	main isolator	(0-1)
GX16 92U25	4 pole	16A	5.5kW	main isolator	(0-1)
GX32 10U25	3 pole	32A	15kW	main isolator	(0-1)
GX32 92U25	4 pole	32A	15kW	main isolator	(0-1)
GXM5				duty label for GX switches	48 mm x 48 mm
