ST series fuse bases for NH fuse links

- Self-extinguishing polyamide body / silver plated copper contacts
- Rated voltage: 690V
- Standards: IEC/EN 60269-1, IEC/EN 60269-2, DIN43620

type	rated current	for fuse size	poles per pack	description	qty (per pack)
------	---------------	---------------	----------------	-------------	----------------

ST series NH fuse bases

Single pole

352115	160A	NH000/00	1 pole	industrial NH fuse base	1
354115	160A	NH000/00	1 pole	DIN rail mount NH fuse base	1
354250	250A	NH1	1 pole	industrial NH fuse base	1
354400	400A	NH2	1 pole	industrial NH fuse base	1
354630	630A	NH3	1 pole	industrial NH fuse base	1
354125	1250A	NH4	1 pole	industrial NH fuse base	1

Three pole (supplied with separating phase barriers between phases)

353102	160A	NH000/00	3 pole	DIN rail mount NH fuse base	1
355250	250A	NH1	3 pole	industrial NH fuse base	1
355400	400A	NH2	3 pole	industrial NH fuse base	1
355630	630A	NH3	3 pole	industrial NH fuse base	1

Sectionable neutral NH bases

- Neutral link base *(can be mounted directly onto sides of fuse base)*

334103	160A	NH00	1 pole	sectionable neutral terminal	1
334160	250A	NH1	1 pole	sectionable neutral terminal	1
334251	630A	NH3	1 pole	sectionable neutral terminal	1

NH fuse holder accessories

Partition walls

(NH00/1/2/3 require connectors to mount)

326100	160A	NH00		partition walls for fuse bases	2
326250	250A	NH1/2		partition walls for fuse bases	2
326630	630A	NH3		partition walls for fuse bases	2
343125*	1250A	NH4		partition walls for fuse bases	1

* Screws directly onto chassis plate (does not mount onto fuse base)

Connectors

(to connect two bases together - accepts partition wall)

325100	160A	NH00		separators for fuse bases	2
325250	250A	NH1/2		separators for fuse bases	2
325630	630A	NH3		separators for fuse bases	2

Terminal covers

(to protect connection terminals of fuse holders)

325000	160A	NH00	1 pole	terminal cover for bases	6
325009*	160A	NH00	3 pole	integral terminal cover	1
325002	250A	NH1	1 pole	terminal cover for bases	6
325003	400A	NH2	1 pole	terminal cover for bases	6
325007	630A	NH3	1 pole	terminal cover for bases	6

* Partition walls incorporated

Fuse-link covers

(connects onto terminal covers)

325010	160A	NH00		hinged covers for fuse link	3
325020	250A	NH1/2		hinged covers for fuse link	3
325025	630A	NH3		hinged covers for fuse link	3

Complete fuse base protection kits (for fuse and terminal insulation protection IP20)

- Comprises - partition walls - terminal cover - fuse cover

325041	250A	NH1	3 pole	IP20 full protection kit	1
325046	400A	NH2	3 pole	IP20 full protection kit	1
325051	630A	NH3	3 pole	IP20 full protection kit	1

Accessories for NH fuse links

Micro switch

(mounts directly onto fuse-links)

357010	5A	250 VAC	1 pole	NH000-3 micro switch for NH fuses	
--------	----	---------	--------	-----------------------------------	--

Fuse removal handle

(universal for all sizes fuse-links)

340001	universal		handle	NH00-4 fuse replace/removal handle	
--------	-----------	--	--------	------------------------------------	--
