

Erratum for catalogue 2012-13

page 10 under headings:

66 series (*hi-power two-pole relays*)

Accessories

06507 should be **06607** description: "top mount DIN rail mountbrake for **66** series relay"

page 17 under heading:

Three-phase solid-state relays

AC control

Price of product **SGT967960E** is **1361.00**

page 26 under heading:

Clip-on auxiliary contact blocks

Contacts of **G48102** should read "2NC"

page 33 under heading:

Enclosed star-delta starters

Sub-heading should read "**Below starters with door interlocking padlockable...**" (not "Above")

page 43: See details in table below

page 68 under heading:

SMC3/32 soft starter

SMC32DA4025BP should be **SMC3DA4025BP**

page 70 under **NPA series** heading:

PF24020002 and **PF24020003** are **2** way

PF24030004 and **PF24030003** are **3** way

pages 80, 81, 83, 85:

See details in table below

page 111 under heading:

CP2000 series

Capacity of **VFD1100CP43A-21** is 110.0 kW, not 110 W

page 121: See details in table below

page 140: See details in table below

page 152: See details in table below

page 176: See details in table below

page 177 under headings:

Programmable cam timers

Series 3000 industrial...

3002.V3 with 4 cam should read **3004.V3**

page 195 under heading:

Phase failure/sequence relay

Price of **SF1/K** should be **256.00** - not **265.00**

page 217 under table column heading:

MV series M18 axial beam

NC values in row labelled "20 - 253 Vac / 50...60Hz" should read (from left to right):

MV2/C0-0A

MV4/C0-0A

M6/C0-0A

MVC/C0-0A

MVR/C0-0A

MVE/C0-0A

page 218 under table column heading:

BV Series 16 x 37 x 70 mm

Retro-reflective

BVC/00-0C should read **BVC/00-5C**

page 223 under heading:

LF19 water pump pressure switches

Pipe fitting for **LF19-N1/2-3** should read G1/4", not G1/2"

page 226 under heading:

Busbar termination (*earth / neutral*)

G106006.1 does not exist, please refer to busbar

G106006.1 on page 253

page 229: See details in table below

page 246: See details in table below

page 247: See details in table below

page 274 under table column heading:

Brake unit ea

VFD022E43A requires no braking unit (BUE-40037 is not required)

page 237 (error on prices and length) under heading:

CB-HFT halogen free heat-shrinkable tubing

	roll length (meters)	price (per roll)
CB-HFT180-0	100 m	1380.00
CB-HFT390-0	25 m	1060.00

page 43 (image error) KBF2

page 80 (error on prices) under heading: **30mA sensitivity**

CD226J	320.00
CD241J	340.00
CD264J	390.00
CD285Z	790.00
CD464J	680.00
CD485Z	1255.00

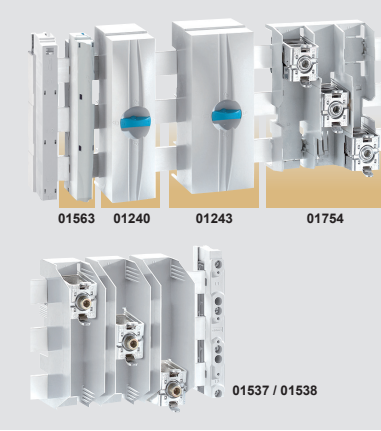

page 83 (error on prices) under heading: **Time switches Slimline 1 module wide (18 mm)**

EH010	345.00
EH011	365.00

page 247 (image label errors) at bottom of page:

Busbar termination

Three-phase clamp-on terminals (*fully insulated, internally partitioned*)

page 81 (error on prices) under heading: **SB series isolators**
