

INCREASE NOTICE

8 January 2018

Dear Valued Customer,

Although the events of December were market-friendly the Rand has still devalued since the release of our catalogue in April 2017. This does not include supplier and inflationary increases.

We regret therefore to inform you that as from the 1st of February 2018 all product prices in our 2017/18 catalogue will increase by **7%**.

We take this opportunity to thank you for your support and understanding and look forward to serving you well into the future.

Yours faithfully,

IC GREYLING
CEO
