

Crane controls

type	no. of steps	contacts	description	price
------	--------------	----------	-------------	-------

PMA Joystick controllers

PMA series (mini controller)

PF3402

PF340210000004	1-0	2	joystick control switch	
PF340211000001	1-1	4	joystick control switch	
PF340212000001	1-2	5	joystick control switch	
PF340213000001	1-3	6	joystick control switch	
PF340215000001	1-5	8	joystick control switch	
PF340220000004	2-0	3	joystick control switch	
PF340222000001	2-2	6	joystick control switch	
PF340223000001	2-3	7	joystick control switch	
PF340230000004	3-0	4	joystick control switch	
PF340233000001	3-3	8	joystick control switch	
PF340235000001	3-5	10	joystick control switch	
PF340240000004	4-0	5	joystick control switch	
PF340255000001	5-5	12	joystick control switch	

Accessories and spares

PRPL3001PI	pushbutton for electrical interlock
PRSL0152PE	1NC contact block
PRSL0153PE	1NO contact block
PRGU6041PE	bellows for joystick
NS15028	2.8mm fast-on terminals for contact blocks (100)

CK series (industrial controller)

PF0801

PF08010011	1-1	4	joystick control switch	
PF08010013	2-2	6	joystick control switch	
PF08010001	3-3	8	joystick control switch	
PF08010004	5-5	12	joystick control switch	

Contact elements complete with cams and spacers (ea)

Accessories and spares

PRSL0007	1NO contact block
PRSL4503PI	"T" shaped knob for joystick
PRGU6040PI	bellows for joystick
potentiometers	fitted to above joysticks (4.7kΩ / 10kΩ)

Wormgear limit switches

type	ratio	no. micros	description	price
------	-------	------------	-------------	-------

MF2C series (miniature wormgear limit switch)

MF2C

PF0901-0015	1:15	2	wormgear limit switches	
PF0901-0025	1:25	2	wormgear limit switches	
PF0901-0050	1:50	2	wormgear limit switches	
PF0901-0100	1:100	2	wormgear limit switches	
PF0901-0150	1:150	2	wormgear limit switches	

GF4C series (industrial wormgear limit switch) (expandable to 4 micro's)

GF4C

PF0903-0025	1:25	2	wormgear limit switches	
PF0903-0050	1:50	2	wormgear limit switches	
PF0903-0100	1:100	2	wormgear limit switches	
PF0903-0150	1:150	2	wormgear limit switches	
PF0903-0200	1:200	2	wormgear limit switches	
PF0903-0250	1:250	2	wormgear limit switches	
PF0903-0300	1:300	2	wormgear limit switches	

(higher ratios available on request)

Additional charges

per added pair of micro switch (GF4C series only)

Rotating limit switches (IP65)

Featuring a special operating head with fixed 90° indexing action to allow a full turn of the switch operating component

PF2675

type	actuators	positions	micro switches	price
PF33710100	T-ROD	3 (fixed) 90°	2 x NO + NC	
PF26755100	X-ROD	4 (fixed) 90°	4 x NO + NC
