

Feed through terminals (screw connection) AVK series

	type	wire size std	amperage EN60947-7-1	term width	description	price
 <p>304 370</p>	AVK Series 2.5 - 240mm²					
	304 200*	2.5mm	24A	5mm	rail mount screw terminal	
	304 210*	4mm	32A	6mm	rail mount screw terminal	
	304 140	6mm	41A	8mm	rail mount screw terminal	
	304 150	10mm	65A	10mm	rail mount screw terminal	
	304 160	16mm	76A	12mm	rail mount screw terminal	
	304 250	35mm	125A	16mm	rail mount screw terminal	
	304 330	50mm	150A	20mm	rail mount screw terminal	
	304 340	95mm	232A	25mm	rail mount screw terminal	
	304 350	150mm	390A	31mm	rail mount screw terminal	
	304 360	240mm	415A	36mm	rail mount screw terminal	
 <p>304 141</p>	Plug-in auxiliary terminal to use smaller conductors (control circuits) 95-240mm terminals					
	304 370	6mm	41A	6mm	plug-in control terminal	
 <p>444 120</p>	Blue terminals (as above)					
	304 211*	4mm	32A	6mm	blue rail mount screw terminal	
	304 141	6mm	41A	8mm	blue rail mount screw terminal	
	304 151	10mm	65A	10mm	blue rail mount screw terminal	
	<i>* accepts plug-in type bridge pieces (2/3/4/10 way) See pg 187</i>					
 <p>444 120</p>	End plates / partitions for above terminals (1.5mm thick)					
	444 120	terminal end plate			for terminals 2.5-10mm	
	444 121	terminal end plate (blue)			for terminals 2.5-10mm	
	444 160	terminal end plate			for terminals 16mm	
 <p>462 120</p>	462 120	terminal partition end plate			for terminals 2.5-10mm	
	462 121	terminal partition end plate (blue)			for terminals 2.5-10mm	
	462 160	terminal partition end plate			for terminals 16mm	
	<i>Terminals 35-240mm are fully insulated (no end plate required)</i>					
 <p>304 300</p>	Stud terminals (bolt and nut termination on both ends)					
	304 300	95mm	232A	40mm	rail mount stud terminal	
	304 310	150mm	309A	48mm	rail mount stud terminal	
	304 320	240mm	415A	53mm	rail mount stud terminal	
 <p>466 100</p>	Isolation covers for stud terminals (hinged for easy access)					
	466 100	hinged isolation cover			for terminals 95mm	
	466 110	hinged isolation cover			for terminals 150mm	
	466 120	hinged isolation cover			for terminals 240mm	
 <p>334 180/140</p>	Earth terminals (green/yellow) fully insulated (no end plate required)					
	334 170*	2.5mm	24A	5.75mm	rail mount earth terminal	
	334 180*	4mm	32A	6.20mm	rail mount earth terminal	
	334 140	10mm	65A	10mm	rail mount earth terminal	
	334 200	16mm	76A	16mm	rail mount earth terminal	
	334 210	35mm	125A	20mm	rail mount earth terminal	
	334 190	50mm	192A	20mm	rail mount earth terminal	
	<i>* clips onto rail (no screw) accepts plug-in bridge pieces (2/3/4/10way)</i>					
<p>324 409</p>	Multi-tier terminals					
	317 109	2.5mm	24A	5mm	two tier terminal	
	449 019	terminal end plate			for above two tier terminals	
	324 109	2.5mm	24A	6mm	three tier terminal	
	450 139	terminal end plate			for above three tier terminals	
	324 409	2.5mm	24A	6mm	sensor terminal	
	450 169	terminal end plate			or above sensor terminals
