Dear Valued Customer,

**Re: Abolition of the 15% surcharge on our 2009 Catalogue**

We are pleased to advise that the 15% increase that was introduced with the Electrahertz (Pty) Ltd , 2009 Catalogue is no longer valid.

Effective from 1<sup>st</sup> July 2009, prices are as per those published in the catalogue except for the Dehn Surge and Zaptronic products as per attached.

**SURGE PROTECTION**

**Surge protection SABS IEC 61643-1**

These devices protect low voltage equipment against transient voltage and current surges mainly of atmospheric origin (lightning) but also transients produced by switching characteristics such as in switching of distribution networks, transformers, motors, etc.
