Dear Valued Customer,

**Re: Abolition of the 15% surcharge on our 2009 Catalogue**

We are pleased to advise that the 15% increase that was introduced with the Electrahertz (Pty) Ltd , 2009 Catalogue is no longer valid.

Effective from 1<sup>st</sup> July 2009, prices are as per those published in the catalogue except for the Dehn Surge and Zaptronics products as per attached.

Once again, Electrahertz (Pty) Ltd leads the field and reduces prices for you, our valued customer, as exchange rates become favourable.

Yours faithfully,

---
